Dear Mr Downing

Little Eaton Village Hall Project

Application for funding through the WRG Communities Challenge

Thank you for your application to the WRG Communities Challenge.

I am pleased to be able to tell you that your project has been successful at Stage 1 and has been selected to progress through to Stage 2.

At Stage 2 of the Challenge, the WREN Project Manager for your area will contact you and arrange a suitable time to come and meet with you to look at your proposed project and to discuss any issues that were highlighted as part of the Stage 1 judging process.

Once the Project Manager visit has taken place your project will be assessed again to see whether it will make it through to Stage 3 and ultimately be awarded a grant.

Well done for getting this far, out of the 170 project applications that were submitted to the WRG Communities Challenge, only 23 across Scotland, England and Wales have been selected to progress through to Stage 2.

Yours sincerely
